Ref. No.: CSSC/2021-22/004

Date: 24 August 2021

## **Notice Inviting Expression of Interest**

Indian Statistical Institute (ISI) is seeking Expression of Interest (EOI) from reputed companies/agencies for the procurement of Email Security Appliance (ESA) to be installed at the Computer & Statistical Service Centre (CSSC) of the Institute to replace its existing ESA. The scope of work includes supply, installation and testing of the ESA, including configuration of the new ESA as per the settings of the existing one.

### **Overview of Existing ESA:**

Parameter	Specification
Make	Cisco
Model	C170
Active Webmail Users	1000
Anti-Spam Licensing Bundle	Anti-Spam, Antivirus and Outbreak Filter – 1000 users
Anti Malware Licensing	ESA Anti Malware – 1000 users
File Scanning	Cisco Threat Grid 200 Files/day

The existing ESA is being used as the single listener for the email security and relay for ISI Kolkata Campus. All the incoming and outgoing emails to and from the **isical.ac.in** domain are forwarded through the ESA. There are currently around 1000 active users. The Anti-Spam, Antivirus and Outbreak Filters are used for threat detection and monitoring.

### **Technical Specifications of Proposed ESA:**

<b>Parameter</b>	<b>Specification</b>
Make	<i>Reputed Multinational Companies</i>
Active Webmail Users Supported	Atleast 1000
Licensing	Atleast 3 years License for Anti-Spam, Anti Malware, Antivirus and Outbreak Filter engines
Threat Detection	Advanced Threat Detection Technology including File Scanning
Outgoing Email Security	DMARC, DKIM/SPF
Migration	Migrate all the current security rules and policies from our existing ESA
Warranty	5 Years Onsite Comprehensive on Appliance

Interested companies/agencies are requested to send the **techno-commercial (budgetary) proposals**, along with the contact details of the respective OEMs to [headcssc@isical.ac.in](mailto:headcssc@isical.ac.in), with a copy to [csscservice@isical.ac.in](mailto:csscservice@isical.ac.in) within **3:00 PM of 12 September 2021**. Respective OEMs will be required to give a presentation on their proposed solution. The schedule for the presentation will be communicated to the OEMs over email in due course.
